The U.S. Department of Agriculture's (USDA), Food and Nutrition Administration (FNA) has awarded the National Supplemental Nutrition Assistance Program (SNAP) National Store Visit Contract to **Manhattan Strategy Group (MSG)**, a Maryland based consulting firm. MSG is responsible for coordinating review staff nationally to collect and verify store information needed by FNA to determine the eligibility or continued eligibility for stores' participation in SNAP.

- **Contract Holder: Manhattan Strategy Group**
- **Contract Number:** 47QTCA18D00KV
- **Contract Name:** SNAP National Retailer Store Visits Contract
- **Contract Period:** September 29, 2026 – September 28, 2031

This visit is used to collect and verify store information needed by FNS to determine eligibility or continued eligibility to participate in the SNAP.

The Reviewer will take notes on store inventory, make a sketch of the store layout, take photographs inside and outside of the store and interact with store staff to complete the review. The visit will take the Reviewer about 90 minutes and should not interfere with normal store operations.

If you have questions or concerns about this contract, please contact William Wang, the MSG Project Manager, by email at wwang@manhattanstrategy.com. You can also contact the SNAP Retailer Service Center by dialing 877-823-4369.

Sincerely,

Lesly Sierra
